INTERNATIONAL BESTSELLER • “[Peter V. Brett] confirms his place among epic fantasy’s pantheon of greats amid the likes of George R. R. Martin, Steven Erikson, and Robert Jordan.”—Fantasy Book Critic The second volume in the internationally bestselling Demon Cycle series continues the epic tale of humanity’s last stand against an army of demons that rise every night to prey on mankind. The sun is setting on humanity. The night now belongs to voracious demons that prey upon a dwindling population forced to cower behind half-forgotten symbols of power. Legends tell of a Deliverer: a general who once bound all mankind into a single force that defeated the demons. But is the return of the Deliverer just another myth? Perhaps not. Out of the desert rides Ahmann Jadir, who has forged the desert tribes into a demon-killing army. He has proclaimed himself Shar’Dama Ka, the Deliverer, and he carries ancient weapons—a spear and a crown—that give credence to his claim. But the Northerners claim their own Deliverer: the Warded Man, a dark, forbidding figure. Once, the Shar’Dama Ka and the Warded Man were friends. Now they are fierce adversaries. Yet as old allegiances are tested and fresh alliances forged, all are unaware of the appearance of a new breed of demon, more intelligent— and deadly—than any that have come before. The Core: Book Five of The Demon Cycle

New York Times bestselling author Peter V. Brett brings one of the most imaginative fantasy sagas of the twenty-first century to an epic close. For time out of mind, bloodthirsty demons have stalked the night, culling the human race to scattered remnants dependent on half-forgotten magics to protect them. Then two heroes arose—men as close as brothers, yet divided by bitter betrayal. Arlen Bales became known as the Warded Man, tattooed head to toe with powerful magic symbols that enable him to fight demons in hand-to-hand combat—and emerge victorious. Jardir, armed with magically warded weapons, called himself the Deliverer, a figure prophesied to unite humanity and lead them to triumph in Sharak Ka—the final war against demonkind. But in their efforts to bring the war to the demons, Arlen and Jardir have set something in motion that may prove the end of everything they hold dear—a swarm. Now the war is at hand, and humanity cannot hope to win it unless Arlen and Jardir, with the help of Arlen’s wife, Renna, can bend a captured demon prince to their will and force the devious creature to lead them to the Core, where the Mother of Demons breeds an inexhaustible army. Trusting their closest confidantes, Leesha, Inevera, Ragen, and Elissa, to rally the fractious people of the Free Cities and lead them against the swarm, Arlen, Renna, and Jardir set out on a desperate quest into the darkest depths of evil—from which none of them expects to return alive. The Warded Man: Book One of The Demon Cycle

As darkness falls, the demons will rise: This first book in the Demon Cycle series by New York Times bestselling author Peter V. Brett has been “justifiably a fan favorite for fifteen years” (Robin Hobb). The time has come to stand against the night. At sunset, the corelings rise—demons who well up from the ground like hellish steam, taking on fearsome form and substance. Immune to mortal weapons, they burn with a consuming hatred of humanity. For hundreds of years corelings have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and mystery. The Skull Throne: Book Four of The Demon Cycle

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED The first three novels in Peter V. Brett's groundbreaking Demon Cycle series—*The Warded Man*, *The Desert Spear*, and *The Daylight War*—set a new standard for heroic fantasy. The powerful saga of humans winnowed to the brink of extinction by night-stalking demons, and the survivors who fight back, has kept readers breathless as they eagerly turned the pages. Now the thrilling fourth volume, *The Skull Throne*, raises the stakes as it carries the action in shocking new directions. The Skull Throne of Krasia stands empty. Built from the skulls of fallen generals and demon princes, it is a seat of honor and ancient, powerful magic, keeping the demon corelings at bay. From atop the throne, Ahmann Jardir was meant to conquer the known world, forging its isolated peoples into a unified army to rise up and end the demon war once and for all. But Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel he could not in honor refuse. Rather than risk defeat, Arlen cast them both from a precipice, leaving the world without a savior, and opening a struggle for succession that threatens to tear the Free Cities of Thesa apart. In the south, Inevera, Jardir's first wife, must find a way to keep their sons from killing one another and plunging their people into civil war as they strive for glory enough to make a claim on the throne. In the north, Leesha Paper and Rojer Inn struggle to forge an alliance between the duchies of Angiers and Miln against the Krasians before it is too late. Caught in the crossfire is the duchy of Lakton—rich and unprotected, ripe for conquest. All the while, the corelings have been growing stronger, and without Arlen and Jardir there may be none strong enough to stop them. Only Renna Bales may know more about the fate of the missing men, but she, too, has disappeared. . . . Look for Peter V. The Demon Cycle 3. The Daylight War

The Daylight War, the eagerly anticipated third volume in Brett's internationally bestselling Demon Cycle, continues the epic tale of humanity's last stand against an army of demons.

The Daylight War: Book Three of The Demon Cycle

NEW YORK TIMES BESTSELLER With *The Warded Man* and *The Desert Spear*, Peter V. Brett surged to the front rank of contemporary fantasy, standing alongside giants in the field such as George R. R. Martin, Robert Jordan, and Terry Brooks. *The Daylight War*, the eagerly anticipated third volume in Brett's internationally bestselling Demon Cycle, continues the epic tale of humanity's last stand against an army of demons that rise each night to prey on mankind. On the night of the new moon, the demons rise in force, seeking the deaths of two men, both of whom have the potential to become the fabled Deliverer, the man prophesied to reunite the scattered remnants of humanity in a final push to destroy the demon corelings once and for all. Arlen Bales was once an ordinary man, but now he has become something more—the Warded Man, tattooed with eldritch wards so powerful they make him a match for any demon. Arlen denies he is the Deliverer at every turn, but the more he tries to be one with the common folk, the more fervently they believe. Many would follow him, but Arlen's path threatens to lead to a dark place he alone can travel to, and from which there may be no returning. The only one with hope of keeping Arlen in the world of men, or joining him in his descent into the world of demons, is Renna Tanner, a fierce young woman in danger of losing herself to the power of demon magic. Ahmann Jardir has forged the warlike desert tribes of Krasia into a demon-killing army and proclaimed himself Shar'Dama Ka, the Deliverer. He carries ancient weapons—a spear and a crown—that give credence to his claim, and already vast swaths of the green lands bow to his control. But Jardir did not come to power on his own. His rise was engineered by his First Wife, Inevera, a cunning and powerful priestess whose formidable demon bone magic gives her the ability to glimpse the future. Inevera's motives and past are shrouded in mystery, and even Jardir does not entirely trust her. Once Arlen and Jardir were as close as brothers. Now they are the bitterest of rivals. As humanity's enemies rise, the only two men capable of defeating them are divided against each other by the most deadly demons of all—those lurking in the human heart. Look for Peter V.
