Understanding the Context: The Trojan War and its Causes

Before tackling specific *Fall of Troy study guide questions*, it's essential to understand the broader context. The Trojan War, as depicted in Homer's *Iliad* and *Odyssey*, and other related texts, was a decade-long conflict sparked by the abduction (or elopement, depending on the interpretation) of Helen, wife of Menelaus, King of Sparta, by Paris, Prince of Troy. This act ignited a conflict that pitted the Achaean Greeks against the Trojans, drawing in numerous mythical heroes and deities.
