The Dodge Dart is a line of passenger cars produced by Dodge from the 1959 to 1976 model years in North America, with production extended to later years in various other markets.

The production Dodge Dart was introduced as a lower-priced full-size model in 1960 and 1961, but became a mid-size car for one model year for 1962, and was then reduced to a compact for two generations, from 1963 to 1976.

Chrysler had first used 'Dart' name plates on two Italian styled show cars, in 1956 and 1957, before it became a Dodge model name. The Dart nameplate was resurrected for a Fiat-derived compact car that was introduced in 2012.

The Plymouth Valiant (first appearing in 1959 as simply the Valiant) is an automobile which was marketed by the Plymouth division of the Chrysler Corporation in the United States from the model years of 1960 through 1976. It was created to give the company an

entry in the compact car market emerging in the late 1950s and became well known for its excellent durability and reliability. It was one of Chrysler's best-selling automobiles during the 1960s and 1970s helping to keep the company solvent during an economic downturn. Road & Track magazine considered the Valiant to be "one of the best all-around domestic cars".

The Valiant was also built and marketed, with or without the Plymouth brand, worldwide in countries including Argentina, Australia, Brazil, Canada, Finland, Mexico, New Zealand...
