## List of secondary education systems by country

*private high schools offer the ZIMSEC curriculum and conduct ZIMSEC Ordinary Level (Form Four or Year 11) and Advanced Level (Upper Six) examinations. Most*

Secondary education covers two phases on the ISCED scale. Level 2 or lower secondary education is considered the second and final phase of basic education, and level 3 or upper secondary education is the stage before tertiary education. Every country aims to provide basic education, but the systems and terminology remain unique to them. Secondary education typically takes place after six years of primary education and is followed by higher education, vocational education or employment.
