

Around The World In 50 Ways Lonely Planet Kids

Around the World in 50 Ways

Set off from London and travel across the globe. Then try to make it back! In this adventure, kids choose their route and transportation, from tuk-tuks and sleds, to steamboats and hot-air balloons. They'll visit famous cities and exotic, far-flung places - and learn amazing facts along the way.

This is My World

Introduces eighty-four children from around the world, sharing their homes and families, and celebrating everything they have in common.

Love Around the World Jan 2021

Introduce children to the wonderful ways love is expressed in different cultures and countries across the globe. From gifting lunch boxes in Japan to adorning brides with beautiful henna designs in India, writing someone a loving poem on Sinterklaas in the Netherlands or lighting a lantern on the Chinese New Year, Love Around The World shows the ways family and friendship are celebrated around the world. This colourful, 32-page book fully explores the themes of family and friendship all around the world. With beautifully-written words by Alli Brydon and exquisite illustrations by Wazza Pink, children will be taken on a journey to a wide variety of cultures and different ways of life. From Wales to Iran to Japan, love is, after all, a universal language. About Lonely Planet Kids: Lonely Planet Kids - an imprint of the world's leading travel authority Lonely Planet - published its first book in 2011. Over the past 45 years, Lonely Planet has grown a dedicated global community of travellers, many of whom are now sharing a passion for exploration with their children. Lonely Planet Kids educates and encourages young readers at home and in school to learn about the world with engaging books on culture, sociology, geography, nature, history, space and more. We want to inspire the next generation of global citizens and help kids and their parents to approach life in a way that makes every day an adventure. Come explore!

The Travel Book

Get to know our diverse planet with the second edition of this best-selling title. Thoroughly updated and revised and, for the first time, the book will now cover the entire globe with a full page dedicated to every independent country. Bringing the world to life via maps, full-colour photographs, original art and lively, accessible text.

Amazing World Atlas 2

Bringing planet earth to life, this colourful and fun addition to Lonely Planet Kids takes you on a trip around the world that you'll never forget. Filled with continental and regional maps, lively text, an entry for every country on the planet, plus mind-blowing facts, and an emphasis on the species that live on our planet, this is an essential resource for young readers wanting to learn about the world. With 240 pages of illustrated maps, engaging infographics, mind-blowing photography and a large dose of humour, this fun and informative world guide, written by children's author and wildlife enthusiast Alexa Ward, is the definitive guide to what our planet is really like. From exploration of indigenous peoples all over the globe, to illustrations of festivals in Brazil and each country's individual history, young readers will be enticed to go on a journey to some of the furthest corners of the globe, learning intriguing facts as they go. Take a trip around the world that you'll never forget with the Amazing World Atlas!
