academic work. The book provides extensive practice in all steps of the writing process, including pre-writing, drafting, revision and editing.

Writing Academic English

'Business Correspondence' introduces adult ESL students to the proper formats and approaches to use in basic office communication. The text offers students extensive contextualised practice, while extra grammar and punctuation exercises boost students' basic English skills.

Academic Writing

This book addresses key features of the methodology involved in business and management academic writing. Characterizing academic writing as part of research, science and the knowledge generation process, it focuses on its three main aspects: understanding existing research, documenting and sharing the results of the acquired knowledge, and acknowledging the use of

other people's ideas and works in the documentation. Written in lucid language, the authors use various examples of good as well as defective writing to help students understand the concepts.

The Longman Academic Writing Series

The Second Edition of Great Sentences for Great Paragraphs teaches beginning- and low-intermediate-level students the grammar needed for accurate sentence construction and the basics of paragraph development. The text uses sample paragraphs to provide students with authentic input regarding English composition, paragraph organization, and cohesion. In addition, contextualized grammar activities, suggestions for additional writing practice, journal-writing assignments, and an emphasis on peer editing all work together to help students develop academic writing skills. The Word Building feature offers practice with common suffixes and helps students develop a rich vocabulary. Building

Better Sentences encourages students to practice constructing and combining sentences—the cornerstones of good paragraph writing. Many guided writing activities are supported by additional online material and provide independent practice of targeted structures. Activities with additional web-based content are indicated by icons in the text. Quizzes on the instructor web site help you assess student progress.

Writing

Brief writer's handbook with activities: pp. 217-248.

Longman Academic Writing Series, 4 : Essays

"The Longman Academic Reading Series is a five-level series that prepares English language learners for academic work. The aim of the series is to make students more effective and confident readers by providing high-interest readings on academic subjects and by teaching them skills and strategies for

effective reading, vocabulary building, note-taking, and critical thinking. The series also encourages students to discuss and write about the ideas they discovered in the readings, making them better speakers and writers of English as well.\"--Publisher description.
