Legally Blonde

explanations series. Aspen Publishers, Incorporated. p. 28. ISBN 978-0-7355-6244-8. Retrieved July 31, 2020. "Supreme Judicial Court Rule 3:03: Legal assistance

Legally Blonde is a 2001 American comedy film directed by Robert Luketic and written by Karen McCullah Lutz and Kirsten Smith, based on Amanda Brown's novel. It stars Reese Witherspoon, Luke Wilson, Selma Blair, Matthew Davis, Victor Garber, and Jennifer Coolidge. The story follows Elle Woods (Witherspoon), a sorority girl who attempts to win back her ex-boyfriend Warner Huntington III (Davis) by getting a Juris Doctor degree at Harvard Law School, and in the process, overcomes stereotypes against blondes and triumphs as a successful lawyer.

The outline of Legally Blonde originated from Brown's experiences as a blonde going to Stanford Law School while being obsessed with fashion and beauty, reading Elle magazine, and frequently clashing with the personalities of her peers. In 2000, Brown...

George R. Dekle Sr.

a Legal Skills Professor at Levin College of Law, University of Florida, from 2006 through June 2016. He writes books on trial advocacy and legal history

George Robert "Bob" Dekle Sr. (born May 23, 1948) is an American lawyer who was an Assistant State Attorney in Florida's Third Judicial Circuit from 1975 through 2005. During this time, he served as lead prosecuting attorney in the 1980 Orlando murder trial of serial killer Ted Bundy, which ultimately delivered the death penalty that was carried out in 1989. Dekle's book on the case, *The Last Murder: The Investigation, Prosecution, and Execution of Ted Bundy*, was published in 2011.

Dekle served as a Legal Skills Professor at Levin College of Law, University of Florida, from 2006 through June 2016. He writes books on trial advocacy and legal history and has lectured extensively nationwide. Dekle is also a chess variant inventor.

Richard Epstein

Legal Affairs as one of the most influential modern legal thinkers. A study of legal publications between 2009 and 2013 found Epstein to be the third-most

Richard Allen Epstein (born April 17, 1943) is an American legal scholar known for his writings on torts, contracts, property rights, law and economics, classical liberalism, and libertarianism. He is the Laurence A. Tisch Professor of Law at New York University and the director of the Classical Liberal Institute. He also serves as a Senior Research Fellow at the Civitas Institute, as the Peter and Kirsten Bedford Senior Fellow at the Hoover Institution, and as a senior lecturer and the James Parker Hall Distinguished Service Professor of Law Emeritus at the University of Chicago.

According to James W. Ely Jr., Epstein's writings have had a "pervasive influence on American legal thought." In 2000, a study published in *The Journal of Legal Studies* identified Epstein as the 12th-most cited legal...

Citation

Association of Legal Writing Directors & Darby Dickerson, ALWD Citation Manual: A Professional System of Citation, 4th ed. (New York: Aspen, 2010), 3. Mansourizadeh

A citation is a reference to a source. More precisely, a citation is an abbreviated alphanumeric expression embedded in the body of an intellectual work that denotes an entry in the bibliographic references section of the work for the purpose of acknowledging the relevance of the works of others to the topic of discussion at the spot where the citation appears.

Generally, the combination of both the in-body citation and the bibliographic entry constitutes what is commonly thought of as a citation (whereas bibliographic entries by themselves are not).

Citations have several important purposes. While their uses for upholding intellectual honesty and bolstering claims are typically foregrounded in teaching materials and style guides (e.g.), correct attribution of insights to previous sources...

Contract

Contract Law, Third Edition, Oxford University Press, North Melbourne Bernstein DE. (2008). Freedom of Contract. George Mason Law & Economics Research Paper No

A contract is an agreement that specifies certain legally enforceable rights and obligations pertaining to two or more parties. A contract typically involves consent to transfer of goods, services, money, or promise to transfer any of those at a future date. The activities and intentions of the parties entering into a contract may be referred to as contracting. In the event of a breach of contract, the injured party may seek judicial remedies such as damages or equitable remedies such as specific performance or rescission. A binding agreement between actors in international law is known as a treaty.

Contract law, the field of the law of obligations concerned with contracts, is based on the principle that agreements must be honoured. Like other areas of private law, contract law varies between...

List of licensed and localized editions of Monopoly: USA

It is estimated that more than 250 million Monopoly games have been sold and that the game has been played by billions of people.

Marriage

Marriage, also called matrimony or wedlock, is a culturally and often legally recognised union between people called spouses. It establishes rights and

Marriage, also called matrimony or wedlock, is a culturally and often legally recognised union between people called spouses. It establishes rights and obligations between them, as well as between them and their children (if any), and between them and their in-laws. It is nearly a cultural universal, but the definition of marriage varies between cultures and religions, and over time. Typically, it is an institution in which interpersonal relationships, usually sexual, are acknowledged or sanctioned. In some cultures, marriage is recommended or considered to be compulsory before pursuing sexual activity. A marriage ceremony is called a wedding, while a private marriage is sometimes called an elopement.

Around the world, there has been a general trend towards ensuring equal rights for women and...

Kevin K. Washburn

author of a law school casebook on Gaming Law and Regulation published by Aspen Publishers in 2011, and several law review articles.Washburn's scholarship

Kevin K. Washburn (born 1967) is an American law professor and former dean of the University of New Mexico School of Law, and the University of Iowa College of Law. He served in the administration of President Barack Obama as Assistant Secretary for Indian Affairs at the U.S. Department of the Interior from 2012 to 2016. Washburn has also been a federal prosecutor, a trial attorney at the U.S. Department of Justice, and the General Counsel of the National Indian Gaming Commission. Washburn is a citizen of the Chickasaw Nation, a federally recognized Native American tribe.

Penile plethysmography

Mental Disorders (Fourth Edition) of the American Psychiatric Association stated that penile plethysmography has been used in research settings to assess various

Penile plethysmography (PPG) or phallometry is a measurement of blood flow to the penis, typically used as a proxy for measurement of sexual arousal. The most commonly reported methods of conducting penile plethysmography involves the measurement of the circumference of the penis with a mercury-in-rubber or electromechanical strain gauge, or the volume of the penis with an airtight cylinder and inflatable cuff at the base of the penis. Corpora cavernosa nerve penile plethysmographs measure changes in response to inter-operative electric stimulation during surgery. The volumetric procedure was invented by Kurt Freund and is considered to be particularly sensitive at low arousal levels. The easier to use circumferential measures are more widely used, however, and more common in studies using...

Religious studies

Law and religion: national, international, and comparative perspectives (Aspen Pub, 2010). John Witte Jr. and Frank S. Alexander, eds., Christianity and

Religious studies, also known as religiology or the study of religion, is the study of religion from a historical or scientific perspective. There is no consensus on what qualifies as religion and its definition is highly contested. It describes, compares, interprets, and explains religion, emphasizing empirical, historically based, and cross-cultural perspectives.

While theology attempts to understand the transcendent or supernatural according to traditional religious accounts, religious studies takes a more scientific and objective approach, independent of any particular religious viewpoint. Religious studies thus draws upon multiple academic disciplines and methodologies including anthropology, sociology, psychology, philosophy, and history of religion.

Religious studies originated in 19th...
