

Memo For Life Orientation Exemplar 2012

List of gay, lesbian or bisexual people: P-Q

of sexual orientation varies and has changed greatly over time; for example the general term "gay" was not used to describe sexual orientation until the

This is a partial list of notable people who were or are gay men, lesbian or bisexual.

The historical concept and definition of sexual orientation varies and has changed greatly over time; for example the general term "gay" was not used to describe sexual orientation until the mid 20th century. A number of different classification schemes have been used to describe sexual orientation since the mid-19th century, and scholars have often defined the term "sexual orientation" in divergent ways. Indeed, several studies have found that much of the research about sexual orientation has failed to define the term at all, making it difficult to reconcile the results of different studies. However, most definitions include a psychological component (such as the direction of an individual's erotic desire...

John Roberts

That's applying the law correctly." As a lawyer for the Reagan administration, Roberts wrote legal memos defending administration policies on abortion.

John Glover Roberts Jr. (born January 27, 1955) is an American jurist serving since 2005 as the 17th chief justice of the United States. He has been described as having a moderate conservative judicial philosophy, though he is primarily an institutionalist. Regarded as a swing vote in some cases, Roberts has presided over an ideological shift toward conservative jurisprudence on the high court, in which he has authored key opinions.

Born in Buffalo, New York, Roberts was raised Catholic in Northwest Indiana and studied at Harvard University, initially intending to become a historian. He graduated in three years with highest distinction, then attended Harvard Law School, where he was an editor of the Harvard Law Review. Roberts later served as a law clerk for Judge Henry Friendly and Justice...

Trumpism

drive out trust and replace it with distrust." Jones sees Trump as an exemplar of this class who recognize that fear and contempt are tools that can reorient

Trumpism is the ideology of U.S. president Donald Trump and his political base. It is commonly used in close conjunction with the Make America Great Again (MAGA) and America

First political movements. It comprises ideologies such as right-wing populism, right-wing antiglobalism, national conservatism, neo-nationalism, and features significant illiberal, authoritarian and at times autocratic beliefs. Trumpists and Trumpians are terms that refer to individuals exhibiting its characteristics. There is significant academic debate over the prevalence of neo-fascist elements of Trumpism.

Trumpism has authoritarian leanings and is associated with the belief that the president is above the rule of law. It has been referred to as an American political variant of the far-right and the national-populist...

Unite the Right rally

sentenced to life imprisonment, and Robert Bowers, the perpetrator of the 2018 Pittsburgh synagogue shooting, frequently citing Fields as an exemplar to intimidate

The Unite the Right rally was a white supremacist rally that took place in Charlottesville, Virginia, from August 11 to 12, 2017. Marchers included members of the alt-right, neo-Confederates, neo-fascists, white nationalists, neo-Nazis, Klansmen, and far-right militias. Some groups chanted racist and antisemitic slogans and carried weapons, Nazi and neo-Nazi symbols, the valknut, Confederate battle flags, Deus vult crosses, flags, and other symbols of various past and present antisemitic and anti-Islamic groups. The organizers' stated goals included the unification of the American white nationalist movement and opposing the proposed removal of the statue of General Robert E. Lee from Charlottesville's former Lee Park. The rally sparked a national debate over Confederate iconography, racial...
