

The New Jerome Biblical Commentary Raymond E Brown

The New Jerome Bible Handbook

Based on: The new Jerome biblical commentary. 1990. Include index.

The New Jerome Biblical Commentary

This work is a compact commentary on the whole Bible written by Roman Catholic scholars according to the principles of modern biblical criticism. - Preface.

New Jerome Biblical Commentary

The New Jerome Biblical Commentary is quite simply the best Catholic commentary available, to be used for studying the Scriptures. Aimed at anyone interested in religion and theology, lay or clergy, it is a single-volume containing verse-by-verse commentary on all the book of the Bible, complemented by topical articles. The articles present thoroughly up-to-date background information that is essential for full appreciation of the texts, at the same time offering the reader a wider perspective; articles, for example, on the historical Jesus and the early Church.--Comprehensively updated since 1968; almost two-thirds of the book is new--Extended bibliographies; chapter and verse reference on page headings--Now in paperback: within the reach of all individuals wishing to study the Scriptures with the aid of a commentary, a paperback Student edition is available. There are three different bindings: The Hardback Edition has a separate dust jacket; the Study Hardback Edition is a hardback with a printed paper cover; the Student Edition is a paperback.

The New Jerome Biblical Commentary

The Jerome Biblical Commentary has, since 1968, been essential reading for all Catholics who wish to deepen their knowledge and understanding of the Bible. It is a landmark of Catholic biblical scholarship, the first port of call for priests, preachers, students and scholars, and all those lay people who like to keep a one-volume Biblical commentary in their home to enlighten their reading of the scriptures. In this new fully revised edition, the publication of which has been welcomed by Pope Francis (who has also written the foreword), the entire content of the commentary has been revised to bring it up-to-date with the very latest scholarship, featuring the leading international Catholic scholars of our day. Whilst based on the historical critical method of Biblical study, the contributors draw in a range of more contemporary approaches to the biblical texts. The pool of contributors has also been broadened outside north America and Western Europe to include a more diverse range of perspectives, ensuring that the Jerome speaks more comprehensively to a global Church. The 'General Articles' section has been revised to include articles on new approaches to the study of the bible and on the interpretation of the bible in diverse pastoral contexts. This magnificent third edition will be essential reading for all those who possess existing editions of The Jerome; but it will also find a new generation of readers, eager to engage the scriptures within the tradition and teaching of the Church.

The Jerome Biblical Commentary: The Old Testament, edited by R. E. Murphy

"This work is a compact commentary on the whole Bible written by Roman Catholic scholars according to the principles of modern biblical criticism"--Preface.

The Jerome Biblical Commentary

This handbook is drawn from the New Jerome Biblical Commentary with the full co-operation and help of the contributors and editors on whose work it is based. It makes available to general readers the background knowledge they need in a simple form, with the help of pictures and maps. The teaching of each book of the Bible is brought out in detail, and a highlight from each book is featured, to give a flavour of its style. The handbook includes a comprehensive index and

contains 13 articles on relevant subjects from archaeology to fundamentalism.

The Jerome Biblical Commentary for the Twenty-First Century

A comprehensive, analytical and critical, and deeply appreciative biography of one of greatest biblical scholars of the twentieth century that locates him within the sweep and drama of the Catholic biblical renewal, especially in the United States.

The New Jerome Biblical Commentary

Initiated by international scholars as a Catholic and ecumenical, academic and pastoral enterprise, The International Bible Commentary brings together many voices, Catholic and ecumenical, speaking from different cultural perspectives to God's Word.¹

The New Jerome Bible Handbook

This first-ever translation into English of this early work by St. Jerome includes a commentary by the Thistranslators that not only elucidates the difficulties but also presents an original view of Jerome's approach to the theological issues raised by this challenging book of the Bible.

Raymond E. Brown and the Catholic Biblical Renewal

The completion of all thirty-seven volumes of the New Collegeville Bible Commentary means an important new resource is fully available to all who wish to delve more deeply into the word of God. Now the one-volume, hardcover edition brings together every volume into a single, accessible guide to the entire Bible in a convenient and attractive format. This comprehensive resource contains the same expert commentary that characterizes the complete series of individual books. Contributors include some of today's most highly regarded Scripture scholars, as well as some of the freshest young voices in the field. The commentaries, while reflecting the latest in biblical scholarship and study, are written in easy-to-understand language and bring expert insight into the Old and

New Testament to Bible study participants, teachers, students, preachers, and all readers of the Bible. Includes full-color maps.

The International Bible Commentary

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

New Testament Essays

This book is an attempt to make some initial tracing of what the gospel looks like through the lens of secular literary criticism. As an interdisciplinary study, the work is an effort to contribute to that dialogue by studying the narrative elements of the Fourth Gospel while interacting occasionally with current Johannine research. It is intended not as a challenge to historical criticism or the results of previous research but as an alternative by means of which new data may be collected and readers may be helped to read the gospel more perceptively by looking at certain features of the gospel. This process is to be distinguished from reading the gospel looking for particular kinds of historical evidence. Our aim is to contribute to understanding the gospel as a narrative text, what it is, and how it works. The emphasis will be upon the construction of hypotheses or critique of methods. The gospel as it stands rather than its sources, historical background, or themes is the subject of this study.

St. Jerome

What makes this commentary on Luke stand apart from others is that, from beginning to end, this is a literary analysis. Because it focuses solely on the gospel as it appears and not on its source or origin, this commentary richly and

thoroughly explores just what Luke is saying and how he says it.

New Collegeville Bible Commentary

Concise and accessible, this one-volume edition of the New Collegeville Bible Commentary: Old Testament draws together the individual contributions to the Old Testament series and offers them to readers in a convenient and attractive format. Written by an array of respected scholars, the individual commentaries collected here bring expert insight into the Old Testament to Bible study participants, teachers, students, preachers, and all readers of Scripture. A first-rate, reliable resource for Bible study and reflection, the New Collegeville Bible Commentary: Old Testament answers the Second Vatican Council's call to make access to Scripture "open wide to the Christian faithful."

The Gospel According to John

Father Brown has thoroughly revised, updated, and adjusted the commentary to the 1986 revised NAB translation of the Bible, making this edition of his best-selling book virtually a new work.

Anatomy of the Fourth Gospel

Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps, illustrations, and other

reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible.

The Sensus Plenior of Sacred Scripture

Discusses how the death of Jesus was portrayed in the Gospels of Mark, Matthew, Luke, and John; includes information on what each of the authors was trying to convey in each passage.

The Jerome Biblical Commentary

"Primarily a collection of essays (originally papers) and responses given at 'An International Conference on the Gospel of John: Life in Abundance, ' held at St. Mary's Seminary and University in Maryland, October 16-18, 2003; the book includes presentations of Johannine theology, issues of interpretation, considerations of the work of Raymond Brown, and two homilies"--Provided by publisher.

Collegeville Bible Commentary

This is a book of wisdom and insight that explains how providential are the trials through which the Catholic Church is now passing. The need of the Papal Primacy to ensure Christian unity; the true meaning of the Priesthood as a sacrament and not a mere ministry; the necessity of the Eucharist as the Sacrifice of the Savior now offering Himself on our altars; the role of the Bishops as successors of the Apostles, united with the successor of St. Peter, the Bishop of Rome; the value of suffering in union with Christ crucified; the indispensable service of the laity in the apostolate - all these themes receive from Cardinal Ratzinger new clarity and depth. Learn more about Pope Benedict! Visit the

Sacra Pagina: The Gospel of Luke

For the church fathers the Gospels did not serve as resources for individual analysis and academic study. They were read and heard and interpreted within

the worshipping community. Among such sermons on Luke that have survived, this ACCS volume includes selections from Origen and Cyril of Alexandria as well as church fathers who addressed exegetical issues in theological treatises, pastoral letters, and catechetical lectures.

New Collegeville Bible Commentary: Old Testament

Until the mid-1960s, most commentators of the Gospel of John were aware of a polemic against 'the Jews,' yet they did not consider it with reference to contemporary ethical discussion. A shift in focus in Johannine scholarship is noticeable from the mid-1960s and 1970s to the present, where commentators began to connect the Gospel's polemic against 'the Jews' with potential anti-Judaism in the text. As yet, very little work has been done to answer the question of how this change in sensitivity came about. This book is a historiography of one scholar's growing awareness of potential anti-Judaism in the Gospel of John with the intention of using this individual history to explain the larger trend in biblical studies. Sonya Cronin examines the published work of Raymond Brown, a prominent Catholic New Testament scholar, between the years 1960-1998. The book contextualizes Brown's work by evaluating the impact of ecclesiastical statements and the influence of earlier and contemporary Johannine scholarship on Brown's biblical interpretation, and then posits theories as to why change occurs at specific times.

The Gospel According to John

From the experience of a lifetime of scholarship, preaching, teaching, and writing, Raymond E. Brown covers the entire scope of the New Testament with ease and clarity. He walks readers book by book through the basic content and issues of the New Testament. While a wealth of information is contained in these pages, the work's most impressive features are the basic summaries of each book, a historical overview of the ancient Greco-Roman world, discussions of key theological issues, and the rich supplementary materials, such as illustrative tables, maps, bibliographies, and appendixes. Using this basic data, Brown answers questions raised by today's readers, relates the New Testament to our modern world, and responds to controversial issues, such as those raised by the Jesus Seminar. Every generation needs a comprehensive, reliable Introduction to the New Testament that opens the biblical text to the novice. Raymond E. Brown's *An Introduction to the New Testament* is the most trustworthy and

authoritative guidebook for a generation seeking to understand the Christian Bible. Universally acknowledged as the dean of New Testament scholarship, Father Brown is a master of his discipline at the pinnacle of his career. Who else could cover the entire scope of the New Testament with such ease and clarity? This gifted communicator conveys the heartfelt concern of a beloved teacher for his students, as he walks the reader through the basic content and issues of the New Testament. Those opening to the New Testament for the first time and those seeking deeper insights could not ask for more in a primer to the Christian Bible.

The Final Triumph

No Marketing Blurb

The Gospel and Epistles of John

This book assembles a representative selection of Jerome's voluminous output. It will help readers to a balanced portrait of a brilliant and complex man who was a major intellectual force in the early church.

A Catholic Introduction to the Bible

When Raymond E. Brown died in 1998, less than a year after the publication of his masterpiece, *An Introduction to the New Testament*, he left behind a nearly completed revision of his acclaimed two-volume commentary on the Gospel of John. The manuscript, skillfully edited by Francis J. Moloney, displays the rare combination of meticulous scholarship and clear, engaging writing that made Father Brown's books consistently outsell other works of biblical scholarship. *An Introduction to the Gospel of John* represents the culmination of Brown's long and intense examination of part of the New Testament. One of the most important aspects of this new book, particularly to the scholarly community, is how it differs from the original commentary in several important ways. It presents, for example, a new perspective on the historical development of the Gospels, and shows how Brown decided to open his work to literary readings of the text, rather than relying primarily on the historical, which informed the original volumes. In addition, there is an entire section devoted to Christology, absent in the original,

as well as a magisterial new section on the representation of Jews in the Gospel of John.

The Death of the Messiah

"The glory of the LORD," a phrase used over one hundred times in the Bible, describes God's greatness and transcendence. This complex theological concept exhibits several natural elements which describe a theophany, a personification of God in the forces of nature. Thus, a theophany--the appearance of God in a visible form--is the physical manifestation of the divine presence most frequently associated with a storm. Of all the biblical accounts that illustrate the glory of the LORD, the narrative of Moses' encounter with God on Mount Sinai (Horeb) contains nineteen of the twenty-one elements that reveal the glory of the LORD: mountains, sacred numbers, God's voice, people's (person's) response, cloud, water, thunder, lightning, trumpet blast, smoke, fire, earthquake, terms of the event (covenant), sign, transformation of witnesses, altar, feast (meal), wind, light and darkness, jewels (precious stones), and dreams. Each element is examined closely using biblical texts that best illustrate it.

Life in Abundance

"This book is an abridgment edition of Introduction to the Hebrew Bible with CD-ROM, published by Fortress Press in 2004"--Preface.
