

Southern Politics In State And Nation

Politics of the Southern United States

Key, V. O. and Alexander Heard. Southern Politics in State and Nation (1949), a famous classic Perman, Michael. Pursuit of Unity: A Political History of

The politics of the Southern United States generally refers to the political landscape of the Southern United States. The institution of slavery had a profound impact on the politics of the Southern United States, causing the American Civil War and continued subjugation of African-Americans from the Reconstruction era to the Civil Rights Act of 1964. Scholars have linked slavery to contemporary political attitudes, including racial resentment. From the Reconstruction era to the Civil Rights Act of 1964, pockets of the Southern United States were characterized as being "authoritarian enclaves".

The region was once referred to as the Solid South, due to its large consistent support for Democrats in all elective offices from 1877 to 1964. As a result, its Congressmen gained seniority across many...

Southern United States

Houghton Mifflin Company. Key, V. O. Southern Politics in State and Nation (1951). Classic political analysis, state by state. Kirby, Jack Temple. Rural Worlds

The Southern United States (sometimes Dixie, also referred to as the Southern States, the American South, the Southland, Dixieland, or simply the South) is one of the four census regions defined by the United States Census Bureau. It is between the Atlantic Ocean and the Western United States, with the Midwestern and Northeastern United States to its north and the Gulf of Mexico and Mexico to its south.

Historically, the South was defined as all states south of the 18th-century Mason-Dixon line, the Ohio River, and the 36°30' parallel. Within the South are different subregions such as the Southeast, South Central, Upper South, and Deep South. Maryland, Delaware,

Washington, D.C., and Northern Virginia have become more culturally, economically, and politically aligned in certain aspects with...

Southern Democrats

Southern Politics (2013) Key, V. O. Southern Politics in State and Nation (1951), famous classic Kuziemko, Ilyana, and Ebonya Washington. "Why did the Democrats

Southern Democrats are members of the U.S. Democratic Party who reside in the Southern United States.

Before the American Civil War, Southern Democrats mostly believed in Jacksonian democracy. In the 19th century, they defended slavery in the United States and promoted its expansion into the Western United States against the Free Soil opposition in the Northern United States. The United States presidential election of 1860 formalized the split in the Democratic Party and brought about the American Civil War. After the Reconstruction Era ended in the late 1870s, so-called redeemers were Southern Democrats who controlled all the southern states and disenfranchised African-Americans.

The monopoly that the Democratic Party held over most of the South showed signs of breaking apart in 1948, when...

The Obama Nation

The Obama Nation: Leftist Politics and the Cult of Personality is a book by Jerome Corsi opposing Barack Obama's candidacy for President of the United

The Obama Nation: Leftist Politics and the Cult of Personality is a book by Jerome Corsi opposing Barack Obama's candidacy for President of the United States. The book alleges Obama's "extreme leftism", "extensive connections with Islam and radical politics", "naïve... foreign policy", past drug use and connections to corrupt backers, among other things. The book has been criticized for containing factual errors, for being racist, and for being a political "attack book" containing smears, falsehoods, and innuendo.

Politics

history or political invention. Rather, the nation state is an inadvertent byproduct of 15th-century intellectual discoveries in political economy, capitalism

Politics (from Ancient Greek πολιτικά (politiká) 'affairs of the cities') is the set of activities that are associated with making decisions in groups, or other forms of power relations among individuals, such as the distribution of status or resources.

The branch of social science that studies politics and government is referred to as political science.

Politics may be used positively in the context of a "political solution" which is compromising and non-violent, or descriptively as "the art or science of government", but the word often also carries a negative connotation. The concept has been defined in various ways, and different approaches have fundamentally differing views on whether it should be used extensively or in a limited way, empirically or normatively, and on whether conflict...

List of heads of state of South Sudan

article lists the heads of state of South Sudan since the establishment of the Southern Sudan Autonomous Region within Sudan in 1972. The president of the

This article lists the heads of state of South Sudan since the establishment of the Southern Sudan Autonomous Region within Sudan in 1972.

The president of the Republic of South Sudan is the head of state and head of government of South Sudan. Christianity and politics

Christianity and politics is a historically complex subject and a frequent source of disagreement throughout the history of Christianity, as well as in modern

The relationship between Christianity and politics is a historically complex subject and a frequent source of disagreement throughout the history of Christianity, as well as in modern politics between the Christian right and Christian left. There have been a wide variety of ways in which thinkers have conceived of this relationship, with many arguing that Christianity directly supports a particular political ideology or philosophy. Along these lines, various thinkers have argued for Christian communism, Christian

socialism, Christian nationalism, Christian anarchism, Christian libertarianism, Christian democracy, Christian fascism, the divine right of kings, or tsarist autocracy. Others believe that Christians should have little interest or participation in politics or government, or none...

V. O. Key Jr.

American political scientist known for his empirical study of American elections and voting behavior. His 1949 book Southern Politics in State and Nation examined

Valdimer Orlando Key Jr. (March 13, 1908 – October 4, 1963) was an American political scientist known for his empirical study of American elections and voting behavior. His 1949 book *Southern Politics in State and Nation* examined the political systems of the 11 southern states constituting the former Confederacy, both individually and in their shared features. He taught at Johns Hopkins University and Harvard.

Southern strategy

In American politics, the Southern strategy was a Republican Party electoral strategy to increase political support among white voters in the South by

In American politics, the Southern strategy was a Republican Party electoral strategy to increase political support among white voters in the South by appealing to racism against African Americans. As the civil rights movement and dismantling of Jim Crow laws in the 1950s and 1960s visibly deepened existing racial tensions in much of the Southern United States, Republican politicians such as presidential candidates Richard Nixon and Barry Goldwater developed strategies that successfully contributed to the political realignment of many white, conservative voters in the South who had traditionally supported the Democratic Party so consistently that the voting pattern was named the Solid South. The strategy also helped to push the Republican Party much more to the right. By winning all of the...

Southern University

students and secured the title of being the largest HBCU in the nation. Between 2004 and 2013, Southern University ranked 4th in the nation for baccalaureate-origin

Southern University and A&M College (Southern University, Southern, SUBR or SU) is a public historically black land-grant university in Baton Rouge, Louisiana, United States. It is the largest historically black college or university (HBCU) in Louisiana, a member-school of the Thurgood Marshall College Fund, and the flagship institution of the Southern University System. Its campus encompasses 512 acres (207 hectares), with an agricultural experimental station on an additional 372-acre (151-hectare) site, five miles (8.0 km) north of the main campus on Scott's Bluff overlooking the Mississippi River in the northern section of Baton Rouge.

Southern University's 13 intercollegiate athletics teams are known as the Jaguars, and are members of the Southwestern Athletic Conference (SWAC) in NCAA...
