

Michigan Courtroom Motion Manual

Manual for Court Administration

Michigan Civil Procedure Litigation Manual offers a practical & succinct guide to the intricacies of the Michigan Rules of Civil Procedure. Written by Glen Weissenberger & A. J. Stephani, Michigan Civil Procedure Litigation Manual contains the complete text of the Michigan Rules of Civil Procedure. Each rule is then individually annotated with insightful commentary, additional supporting authorities & recent leading cases. Designed specifically for both judges & legal practitioners, this manual will be updated annually to encompass changes in the Rules or supporting case law.

Michigan Evidence 1998 Courtroom Manual

This concise handbook contains the rules and procedures governing the circuit courts in the state of Michigan adopted by the Supreme Court in February of 1839. It is a valuable resource for anyone practicing law in Michigan or studying the history of legal procedures in the state. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Michigan Civil Procedure Litigation Manual

Vols. 9-17 include decisions of the War Labor Board.

Rules For The Circuit Courts In The State Of Michigan

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Michigan Civil Procedure Litigation Manual

Product Liability in Michigan by Justin Hakala is the leading treatise on Michigan product liability. Drawing from his vast knowledge, Hakala has gathered comprehensive information into one volume by drawing on research and briefing first completed for his own cases. The book covers key issues of product liability unique in Michigan including the statutory structure, specific state requirements, damage caps, and exceptions. In addition, general product liability topics familiar to practitioners—from automotive products to consumer goods—are discussed with reference to Michigan law. Wherever possible, both state and federal law is discussed. For attorneys who represent both plaintiffs and defendants that have cases in Michigan or involving Michigan law, this book is an essential reference.
