Bachelorette Party Series: Volume 1

An epic Medieval adventure of the Hundred Years War When Martin

Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.

I'm the type of girl who's given up on fairy tales. So when Beck – the hot new busboy at work – starts flirting with me, I know better than to get my hopes up. Happily ever afters aren't for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. "Rich Boy takes you on a literal ride! Funny. Angsty. There's mean rich people and people you root for. This book is intended for use in a traditional college- level data structures course (commonly known as CS2). This book assumes that students have learned the basic syntax of Python and been exposed to the use of existing classes. Most traditional CS1 courses that use Python will have covered all the necessary topics, and some may have covered a few of the topics covered in this book. We have found that most students successfully completing a CS1 course know how to use classes, but many of them need more experience to learn how to design and write their own classes. We address this issue by including a number of examples of class design in the first few chapters of this book.

Saving Grace

The first three books of the bestselling John Shakespeare series of Tudor spy thrillers from Rory Clements, author of the Sunday Times bestseller *Hitler's Secret* *** Martyr Tensions in Elizabeth I's government are at breaking point. At the eye of the storm is John Shakespeare, chief intelligencer in the secret service of Sir Francis Walsingham. When an intercept reveals a plot to assassinate England's 'sea dragon', Francis Drake, Shakespeare is ordered to protect him. With Drake on land fitting out his ships, he is frighteningly vulnerable. If he dies, England will be open to invasion. From the splendour and intrigue of the royal court, to the sleek warships of Her Majesty's Navy and the teeming brothels of Southwark, Shakespeare soon learns that nothing is as it seems . . .

Revenger The quiet life of John Shakespeare is shattered by a summons from Robert Cecil, the cold but deadly young statesman who dominated the last years of the Queen's long reign, insisting Shakespeare re-enter government service. His mission: to find vital papers, now in the possession of the Earl of Essex. When John Shakespeare infiltrates this dissolute world he discovers not only that the Queen herself is in danger - but that he and his family is also a target. With only his loyal footsoldier Boltfoot Cooper at his side, Shakespeare must face implacable forces who believe themselves above the law. And in a world of shifting allegiances, just how far he can trust Robert Cecil, his devious new master? Prince Driven on by cold rage, Shakespeare's investigations will take him from magnificent royal horseraces to the opulent chambers of Black Luce's brothel, from the theatrical underworld of Marlowe and Kyd to the pain-wracked torture cells of priest-hunter Richard Topcliffe, and from the elegant offices of master tactician Robert Cecil to the splintering timbers of an explosive encounter at sea. As Shakespeare delves ever deeper, he uncovers intricate layers of mystery and deception that threaten the heart not only of the realm, but of all that he holds dear.

Last season, Lady Nina Trent fell for a scoundrel. This year, she intends to choose more wisely . . . When a duke more interested in fox hunting and sports than womanizing comes to town, Nina thinks him the perfect catch. Sadly, he doesn't seem to notice her. But Lord Elliot Havenford, Baron Ralston, a notorious flirt, has a proposition: he'll not only pretend to vie for her hand, hoping to draw forth the duke's competitive nature, he'll also give Nina lessons in seduction.

An aristocrat in possession of two dilapidated properties must be in want of a fortune. Elliot's proposition is a subterfuge, for he hopes to capture Nina's hand—and her dowry—by slyly seducing her himself. Though he feels guilty over his deception, their interludes, filled with dancing, flirtation, and increasingly heated kisses, are impossible to regret . . . until he realizes he has unwittingly placed Nina in grave danger. What's a scoundrel in love to do, except finally risk his heart for real?

Duncan McKinnon is on leave from the Army Rangers to help his brothers find their missing father. Having sustained a shrapnel wound to the leg, his continued military service is up before a medical review board. Now she's back in Eagle Rock, running for her life and the life of their baby girl. She needs his help to save herself and their daughter from someone who wants them dead. When Duncan learns Fiona and her little girl are in trouble, he vows to protect them with his life, not quite understanding the incredible connection he has to the little girl who looks nothing like Fiona and more like him. Ranger's Baby

How can grasshoppers help parents and feeding professionals teach anxious eaters about new foods? Marsha Dunn Klein, an

internationally-known feeding therapist, provides the answer in this book--highlighting that most anxious eaters do not enjoy the sensations and variability of new foods. In seeking to help them, she asks what you'd need to do to help yourself try a worrisome new food, such as a grasshopper. Drawing on her own experience trying grasshoppers while learning Spanish in Mexico, she personalizes the struggle of children to find new food enjoyment, providing a goldmine of practical, proven, and compassionate strategies for parents and professionals who work with anxious eaters. Learn how to: - find peace and enjoyment during mealtimes; - find ways to help anxious eaters fearlessly try new foods; - navigate the sensory variations in food smells, tastes, textures looks, sounds: and - help anxious eaters (and their parents) develop a more positive relationship with food. Because parents are absolutely central to mealtime success, the author incorporates parent insights throughout the book. Using encouragement, novelty, and fun, she invites everyone back to the table with a sensitive and pressure-free approach.

Shattered Hart

Throwing down the gauntlet has never been so wild. Just ask Hadley Beckett. Marriage. That word drives my nuptial-phobic boyfriend of three years, Finn Wilder, who is Richmond's sexy, golden boy daredevil sportscaster, to the brink of madness. While the daredevil thrives on adrenaline and danger and eagerly professes his love for me, he'll walk on the wild side and not down the aisle. Furthermore, Finn Wilder is single, according to his coworkers and viewers-Finnatics. I don't exist. Despite his marriage fears and questionable relationship status, Finn pressures me to move in with him. Still, traditional by today's standards, I want to marry first, adhering to my beliefs, just as he desperately clings to his, regarding not starting a family with me. As much as I love Finn, I've reached my limit with the lies, secrets, and his irrational fear. Something has got to give. We're

forever at a standstill, a faceoff which one of us will lose. Everything.

Disheveled

Teagan "I wanted to go home." "Moving to America wouldn't have been so bad if it weren't for the family next door, but because of my so-called guardian - and I used that term lightly - we were the latest family to take up residency in Thirteenth Street, and I was the sole target of the bitch over the fence." "But, for me, life was a lot to get a lot worse." "Noah Messina, Ellie's step-brother, had decided to join her torment-the-new-girl-until-she-cracks mission." "There had been a fight in their driveway last weekend - between Noah and some other tattooed douchebag - that had progressed into our yard, resulting in the windshield of my car being smashed when Noah pummeled his opponent through it. Thinking back now I had to admit that I sort of overreacted when I stalked outside in nothing but a Coldplay t-shirt and a black thong and tossed an entire can of white gloss paint over the hood of Noah's black Lexus in retaliation. I guess it had felt damn good to fight back instead of letting them walk all over me..." "Destroying Noah's car with paint was like waving a red rag in front of a bull. He lost it. Right there in my driveway, with his t-shirt ripped from his body and blood dripping from his eyebrow, Noah Messina had thrown the biggest man-tantrum I'd ever seen before declaring war on me..." "Noah "I was going to lose my shit over the girl-next-door." "God, three months of having her live next door to me and I still felt like slamming my head into the garden wall - now worse than ever since she had challenged me." "The defiance in her eyes as she stared at me down before bending over the hood of my baby and emptying the can of paint was something that struck a chord inside of me. I'd never been so angry or turned on in my life." "Pure rage had flooded my veins, driven on even further when Teagan taunted me with her potty mouth and yeah, I'd kind of lost it with her. Problem was I had an even uglier temper, and Friday night Teagan Connolly ignited it like no one had before. When she slapped me and pressed her tight little body against mine, taunting me with that sharp tongue of hers, I'd never been so close to putting my hands on a woman in my life." "Except instead of hurting her, I wanted to toss her sexy little ass on the hood of my car and take her right there, not caring who saw us. The urge to be inside her was like nothing I'd ever felt in my life..."
