Shannara is a series of high fantasy novels written by Terry Brooks, beginning with The Sword of Shannara in 1977 and concluding with The Last Druid which was released in October 2020; there is also a prequel, First King of Shannara. By the time of the prequel First King of Shannara, the world had reverted to a pre-industrial state and magic had re-emerged to supplement science.

In March 2025, Brooks announced his semi-retirement and that Delilah S. Dawson would be taking on the authorship of his Shannara legendarium going forward.

Russian literature refers to the literature of Russia, its émigrés, and to Russian-language literature. Major contributors to Russian literature, as well as English for instance, are authors of different ethnic origins, including bilingual writers, such as Kyrgyz novelist Chinghiz Aitmatov. At the same time, Russian-language literature does not include works by authors from the Russian Federation who write exclusively or primarily in the native languages of the indigenous non-Russian ethnic groups in Russia, thus the famous Dagestani poet Rasul Gamzatov is omitted.

The roots of Russian literature can be traced to the Early Middle Ages when Old Church Slavonic was introduced as a liturgical language and became used as a literary language. The native Russian vernacular remained the use within...
