In the United States, an income tax audit is the examination of a business or individual tax return by the Internal Revenue Service (IRS) or state tax authority. The IRS and various state revenue departments use the terms audit, examination, review, and notice to describe various aspects of enforcement and administration of the tax laws.

The IRS enforces the U.S. Federal tax law primarily through the examination of tax returns that have the highest potential for noncompliance. According to the IRS, "[t]his identification is determined using risk-based scoring mechanisms, data driven algorithms, third party information, whistleblowers and information provided by the taxpayer. The objective of an examination is to determine if income, expenses and credits are being reported accurately."

Tax preparation in the United States

Tax preparation is the process of preparing tax returns, often income tax returns, often for a person other than the taxpayer, and generally for compensation. Tax preparation may be done by the taxpayer with or without the help of tax preparation software and online services. Tax preparation may also be done by a licensed professional such as an attorney, certified public accountant or enrolled agent, or by an unlicensed tax preparation business. Some states have licensing requirements for anyone who prepares tax returns for a fee and some for fee-based preparation of state tax returns only.

United States income tax laws are considered to be complicated, leading many taxpayers to seek outside assistance with taxes (53.5% of individual tax returns in 2016 were filed by paid preparers). Commercial...

In the United States, those seeking to become lawyers must normally pass a bar examination before they can be admitted to the bar and become licensed to practice law. Bar exams are administered by states or territories, usually by agencies under the authority of state supreme courts. Almost all states use some examination components created by the National Conference of Bar Examiners (NCBE). Forty-one jurisdictions have adopted the Uniform Bar Examination (UBE), which is composed entirely of NCBE-created components.

In every U.S. jurisdiction except Wisconsin, Oregon, and Washington, all those seeking admission to the bar must pass a bar examination. In Wisconsin, graduates of the Juris Doctor degree programs

of the state's two American Bar Association-accredited law schools—the University...

Employee Retirement Income Security Act of 1974

federal tax and labor law that establishes minimum standards for pension plans in private industry. It contains rules on the federal income tax effects

The Employee Retirement Income Security Act of 1974 (ERISA) (Pub. L. 93-406, 88 Stat. 829, enacted September 2, 1974, codified in part at 29 U.S.C. ch. 18) is a U.S. federal tax and labor law that establishes minimum standards for pension plans in private industry. It contains rules on the federal income tax effects of transactions associated with employee benefit plans. ERISA was enacted to protect the interests of employee benefit plan participants and their beneficiaries by:

Requiring the disclosure of financial and other information concerning the plan to beneficiaries;

Establishing standards of conduct for plan fiduciaries;

Providing for appropriate remedies and access to the federal courts.

ERISA is sometimes used to refer to the full body of laws that regulate employee benefit plans...

Certified Public Accountant (CPA) is the title of qualified accountants in numerous countries in the English-speaking world. It is generally equivalent to the title of chartered accountant in other English-speaking countries. In the United States, the CPA is a license to provide accounting services to the public. It is awarded by each of the 50 states for practice in that state. Additionally, all states except Hawaii have passed mobility laws to allow CPAs from other states to practice in their state. State licensing requirements vary, but the minimum standard requirements include passing the Uniform Certified Public Accountant Examination, 150 semester units of college education, and one year of accounting-related experience.

Continuing professional education (CPE) is also required to maintain...

Real estate appraisal, home appraisal, property valuation or land valuation is the process of assessing the value of real property (usually market value). The appraisal is conducted by a licensed appraiser. Real estate transactions often require appraisals to ensure fairness, accuracy, and financial security for all parties involved.

Appraisal reports form the basis for mortgage loans, settling estates and divorces, taxation, etc. Sometimes an appraisal report is also used to establish a sale price for a property. Factors like size

of the property, condition, age, and location play a key role in the valuation.
