Now I'm chasing down a band of dangerous vamps with my best guy friend, Vaughn. Who also happens to be the boy I've been secretly crushing on forever. And out on the road, anything can happen. All I ever wanted was for things to change with Vaughn. For him to finally see the real me. But this isn't exactly what I had in mind. So be it. Let the afterlife begin. Death is cruel. It's unforgiving and brutal. It robbed me of the life I wanted to live and stole what little hope I had for the future. I was supposed to be something great. I was supposed to have it all ... But a single bullet changed everything. I always thought I'd go down fighting, but instead, I faded away while watching the overwhelming guilt tear through Carver faster than his bullet tore through me. Like I said-death is cruel. King. Cruz. Grayson. Carver. How am I supposed to leave this world knowing what mess I'll be leaving behind? There's a war brewing, and this time, it's personal. I can't die. Not yet. Luckily, a bitch like me doesn't stay down for long. Boys of Winter is a Dark, Enemies to

Balancing Act

USA Today Bestselling Author, Callie Hart, delivers a twisted and edgy new linked standalone dark romance tale, featuring a girl with nothing left to lose and a broken boy with a heart as black as his soul. Want something? Pax will take it from you. Love something? Pax will destroy it. Love him? Heaven help you. You'd have to be the stupidest person to walk the face of the earth. PAX I don't do complicated. I sure as hell don't do love. With graduation in sight, I've made it almost four years at Wolf Hall without getting tangled up in BS with girls. I especially want nothing to do with her: Presley. Maria. Witton. Chase. The timid little mouse with the red hair, who can't even look my way without hyperventilating. She's nothing to me. Beautiful, sure, but I've had plenty of beautiful women. I'm perfectly content ignoring her... ..until her life is suddenly in my hands. PRES I've loved him from the moment I laid eyes on him. The cruel, inked anarchist of Riot House. He's wicked, and he's cold, and there's nothing good left in him. I fear him almost as much as I crave him. With only a few weeks left until graduation, all I have to do is keep my head down, and then I'll be free; I can leave Mountain Lakes and my obsession with Pax Davis in my rearview mirror. But the demons I've been hiding for years now are growing restless... ..and Pax is thing that will keep them at bay. This is not an act of kindness. Not an act of love. Not an act of forgiveness. You'll find no redemption here. This is the final riot. ACT ACCORDINGLY. RIOT ACT is a 137,000-word standalone book in the Crooked Sinners Series and does not end on a cliffhanger. This book contains dark content that may be considered a trigger for some readers, and as such is recommended for readers 17+

The information herein was accumulated of fifty some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters, who played the roles and for the most part, the year or years the actor or actress played that role. Also included are most of the people who created the shows, the producers, directors, and the writers of the shows.

These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, \"Who was the guy that played such and such a role?\" Enjoy!
