'Terrific ... His love for his subjects – both the food and the cook – sings' Telegraph 'Christ, could Bourdain weave words ... the guy wrote like a poet' Guardian A celebration of the life and legacy of one of the most important food writers of all time – the inimitable Anthony Bourdain Anthony Bourdain saw more of the world than nearly anyone. His travels took him from his hometown of New York to a tribal longhouse in Borneo, from cosmopolitan Buenos Aires, Paris, and Shanghai to the stunning desert solitude of Oman's Empty Quarter – and many places beyond. In World Travel, a life of experience is collected into an entertaining, practical, fun and frank travel guide that gives readers an introduction to some of his favorite places – in his own words. Featuring essential advice on how to get there, what to eat, where to stay and, in some cases, what to avoid. Additionally, each chapter includes illustrations by Wesley Allsbrook. Supplementing Bourdain's words are a handful of essays by friends, colleagues, and family that tell even deeper stories about a place, including sardonic accounts of traveling with Bourdain by his brother, Chris; a guide to Chicago's best cheap eats by legendary music producer Steve Albini, and more.

Scott Cohen's Outdoor Fireplaces & Fire Pits

Based on the James Beard Award-winning blog The One-Block Diet, this all-in-one home gardening, do-it-yourself guide and cookbook shows you how to transform a backyard or garden into a self-sufficient locavore's paradise. When Margo True and her fellow staffers at Northern California-based Sunset magazine walked around the grounds of their Menlo Park office, they saw more than just a lawn and some gardens. Instead, they saw a fresh, bountiful food source, the makings for intrepid edible projects, and a series of seasonal feasts—all just waiting to happen. The One-Block Feast is the story of how True and her team took an inspired idea and transformed it into an ambitious commitment: to create four feasts over the course of a year, using only what could be grown or raised in their backyard-sized plot. She candidly shares the group's many successes and often humorous setbacks as they try their hands at chicken farming, cheese making, olive pressing, home brewing, bee keeping, winemaking, and more. Grouped into gardening, project, and recipe guides for each season, The One-Block Feast is a complete

resource for planning an eco-friendly kitchen garden; making your own pantry staples for year-round cooking and gifts; raising bees, chickens, and even a cow; and creating made-from-scratch meals from ingredients you've grown yourself. Chapters are organized by season, each featuring a planting plan and crop-by-crop instructions, an account of how that season's projects played out for the Sunset team, and a multicourse dinner menu composed of imaginative, appealing, and ultra-resourceful vegetarian recipes, such as: Butternut Squash Gnocchi with Chard and Sage Brown Butter • Egg and Gouda Crepes • Whole Wheat Pizzas with Roasted Vegetables and Homemade Cheeses • Fresh Corn Soup with Zucchini Blossoms • Braised Winter Greens with Preserved Lemons and Red Chile • Summer Lemongrass Custards • Honey Ice Cream Generously illustrated and easy to follow, this ultimate resource for today's urban homesteader will inspire you to take "eating local" to a whole new level.
