Long considered to be the standard reference work in this area, this three-volume set describes more than 8,000 courses offered between January 1990 and the present by various service branches and the Department of Defense. Long considered to be the standard reference work in this area, this three-volume set describes more than 8,000 courses offered between January 1990 and the present by various service branches and the Department of Defense. Updated every two years.

Aviation Ordnanceman 3 & 2

The Federal Aviation Administration (FAA) administor's oral as well as written exams for pilot certification and flight review. These exam guides teach applicants not only what to expect, but also how to exhibit subject mastery and confidence while under tough examiner scrutiny. In this five-book series, the most consistent questions asked in each particular exam are provided in a question-and-answer format, with information sources for further study. Applicants facing the private, certified flight instructor, instrument, commercial, or multiengine oral exam will benefit from the topics discussed and the further study materials provided.

Monthly Catalogue, United States Public Documents

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

The 1984 Guide to the Evaluation of Educational Experiences in the Armed Services

Provides definitions of a wide variety of acronyms, initialisms, abbreviations and similar contractions, translating them into their full names or meanings. Terms from subject areas such as associations, education, the Internet, medicine and others are included.

The 1980 Guide to the Evaluation of Educational Experiences in the Armed Services: Coast Guard, Marine Corps, Navy, Dept. of Defense

The naval aviation safety review.
