

Chapter 18 International Capital Budgeting Suggested

Natural capital

Natural capital is the world's stock of natural resources, which includes geology, soils, air, water and all living organisms. Some natural capital assets

Natural capital is the world's stock of natural resources, which includes geology, soils, air, water and all living organisms. Some natural capital assets provide people with free goods and services, often called ecosystem services. All of these underpin our economy and society, and thus make human life possible.

It is an extension of the economic notion of capital (resources which enable the production of more resources) to goods and services provided by the natural environment. For example, a well-maintained forest or river may provide an indefinitely sustainable flow of new trees or fish, whereas over-use of those resources may lead to a permanent decline in timber availability or fish stocks. Natural capital also provides people with essential services, like water catchment, erosion control...

Balanced budget amendment

Retrieved July 1, 2014. Jón Blondal, Michael Ruffner. "Budgeting in Denmark" (PDF). OECD Journal on Budgeting – Volume 4 – No. 1 (2004). Retrieved May 2, 2020

A balanced budget amendment or debt brake is a constitutional rule requiring that a state cannot spend more than its income. It requires a balance between the projected receipts and expenditures of the government, and the balance requirement may be for each fiscal year or over a multi-year period.

Balanced-budget provisions have been added to the constitutions of Germany, Hong Kong, Italy, Poland, Slovenia, Spain and

Switzerland, among others, as well as to the constitutions of most U.S. states. In the United States, proposals for balanced budget amendments to the United States Constitution have often had bipartisan support but have become more associated with the Republican Party in the 21st century.

Balanced budget amendments are defended with arguments that they reduce deficit spending and...

Delhi

Economic Survey of Delhi, 2005–2006. Planning Department,
Government of National Capital Territory of Delhi*

Delhi, officially the National Capital Territory (NCT) of Delhi, is a city and a union territory of India containing New Delhi, the capital of India. Straddling the Yamuna river, but spread chiefly to the west, or beyond its right bank, Delhi shares borders with the state of Uttar Pradesh in the east and with the state of Haryana in the remaining directions. Delhi became a union territory on 1 November 1956 and the NCT in 1995. The NCT covers an area of 1,484 square kilometres (573 sq mi). According to the 2011 census, Delhi's city proper population was over 11 million, while the NCT's population was about 16.8 million.

The topography of the medieval fort Purana Qila on the banks of the river Yamuna matches the literary description of the citadel Indraprastha in the Sanskrit epic Mahabharata...

United States Agency for International Development

activities in the areas of economic policy formulation, international trade, sectoral regulation, capital markets, microfinance, energy, infrastructure, land

The United States Agency for International Development (USAID) was created to provide foreign aid, disaster relief, and economic development. Established in 1961 during the Cold War by President John F. Kennedy, USAID was designed to counter the Soviet Union through the use of soft power across the world. In 1998, USAID was reorganized by Congress as an independent

agency.

With average annual disbursements of about \$23 billion from 2001 to 2024, USAID had missions in over 100 countries, in areas as diverse as education, global health, environmental protection, and democratic governance. An estimated 91.8 million deaths, including 30.4 million among children younger than five years old, were likely prevented by USAID funding between 2001 and 2021.

In the first half of 2025, the Trump administration...

Tegucigalpa (UK: US: Spanish: [teɣusiˈɣalpa])—formally Tegucigalpa, Municipality of the Central District (Spanish: Tegucigalpa, Municipio del Distrito Central or Tegucigalpa, M.D.C.), and colloquially referred to as Tegus or Teguz—is the capital and largest city of Honduras along with its sister city, Comayagüela.

Claimed on 29 September 1578 by the Spaniards, Tegucigalpa became the Honduran capital on 30 October 1880, under President Marco Aurelio Soto, when he moved the seat of government from Comayagua, which had been the Honduran capital since its independence in 1841. The 1936 constitution established Tegucigalpa and Comayagua as a Central District, and the current 1982 Honduran Constitution continues to define the sister cities as a Central District that serves as the permanent national...

American International Pictures, LLC (AIP or American International Productions) is an American film production company owned by Amazon MGM Studios. In its original operating period, AIP was an independent film production and distribution company known for

producing and releasing films from 1955 until 1980, a year after its acquisition by Filmways in 1979.

It was formed on April 2, 1954, as American Releasing Corporation (ARC) by former Realart Pictures Inc. sales manager James H. Nicholson and entertainment lawyer Samuel Z. Arkoff and their first release was the 1953 UK documentary film Operation Malaya. It was dedicated to releasing low-budget films packaged as double features, primarily of interest to the teenagers of the 1950s, 1960s, and 1970s.

The company eventually became a part of Orion...

The International Health Regulations (IHR), first adopted by the World Health Assembly in 1969 and last revised in 2005, are legally binding rules that only apply to the WHO that is an instrument that aims for international collaboration "to prevent, protect against, control, and provide a public health response to the international spread of disease in ways that are commensurate with and restricted to public health risks and that avoid unnecessary interference with international traffic and trade". The IHR is the only international legal treaty with the responsibility of empowering the World Health Organization (WHO) to act as the main global surveillance system.

In 2005, following the 2002–2004 SARS outbreak, several changes were made to the previous revised IHRs originating from 1969. The...

Amnesty International (also referred to as Amnesty or AI) is an international non-governmental organization focused on human rights, with its headquarters in the United Kingdom. The organization says that it has more than ten million members and supporters around the world. The stated mission of the organization is to campaign for "a world in which every person enjoys all of the human rights enshrined in the Universal Declaration of Human Rights and other international human rights instruments". The organization has played a notable role on human rights issues due to its frequent citation in media and by world leaders.

AI was founded in London in 1961 by the lawyer Peter Benenson. In what he called "The Forgotten Prisoners" and "An Appeal for Amnesty", which appeared on the front page of the...
